I'm a graphic designer with more than a decade of experience creating visual identities, editorial systems, environmental graphics, and digital experiences.

Experience

Tete by Doublete
2020-2022

Co-founder / product designer
Co-founded and managed the end-to-end product lifecycle of an educational toy brand, from initial conceptualization and prototyping to market launch.
Orchestrated the production and distribution of 100+ limited-edition units, managing logistics and customer relationship management.

Cine Cubano Magazine
2017-2021

Art director / Sole graphic designer
Led the visual identity redesign for issue 201 of the official ICAIC publication, modernizing the brand image as part of a newly restructured creative team.

Bisiesto
2015-2018

Art director / Sole graphic designer
Conceptualized and crafted the visual storytelling and graphic design for the Muestra Joven ICAIC (Young Filmmakers Festival) daily journal, elevating event branding and audience engagement.
